## PREFACE

So long as there is unfinished business in that truth has not yet come out into the open in its fullest manifestation, the struggle for justice continues.

Updated the book 'What have you learnt Jack' in Internet Archive ([https://archive.org/details/what-have-you-learnt-jack-digital\\_20240918\\_1811](https://archive.org/details/what-have-you-learnt-jack-digital_20240918_1811)) and in The Allurement of Reality in Review Shop (<https://www.theallurementofrealityinreview.com/product-page/what-have-you-learnt-jack>) to the introduction of: 'No compromise from either side. I did not get legal redress, in financial terms, but I developed the TCLP-UK that proved that there can be no legal redress from the operation of the Police State's constitution in the United Kingdom.' Even peaceful protest was not allowed in that the formation of this Republican Party was deprived of Membership-attracting banking services with the withdrawal of Stripe Payments UK Limited so that the party has to survive on donations and who would want to be associated with that. LinkedIn connections of around 1950 and many of whom were sent personal invitations to the Membership website all failed to donate to the Sampradaya. There is no point in sending out any further invitations to Membership or to even connect with me in LinkedIn. This leaves the Court proceedings to see what happens next to the correspondence sent at 4.00 pm today to the Medway County Court and the Central London County Court as follows:

Dear Judges

This is an abysmal performance and a dereliction of duty that is designed to cover-up 26 years of persecution on me by the State authorities as was brought to the Courts' attention in the links:

If you wish to raise a complaint regarding the service which you have received from Stripe Payments UK, we would suggest you contact the following organisation:

Hi there,

Thank you for bringing your concerns to our attention. We appreciate the opportunity to investigate your complaint. Please find below Stripe's final response to your complaint submitted on 31st August 2024.

#### Summary

User filed a complaint regarding the account rejection.

#### Details of our review & Conclusion

As mentioned in our final response on case #14419132, dated July 25th, 2024 Stripe has reviewed your account again in light of the complaint and determined that it is not able to take further action here as we are unable to support your business. Since you mentioned that you are a political organisation raising funds on your own behalf, we requested you to provide us with a document or a link confirming your formal registration with the relevant authority (e.g official political party registration, NGO registration, etc). The information/links provided were not sufficient.

We trust that the above clarifies this matter; however, if you have any further questions or concerns based on new information, please do not hesitate to contact us again. Should you remain dissatisfied with our final response, you have the right to refer your complaint to the Financial Ombudsman Service <https://www.financial-ombudsman.org.uk> free of charge, and you must do so within 6 months. If you do not refer your complaint in time, the Ombudsman will not have our permission to consider your complaint and so will only be able to do so in very limited circumstances. For example, if the Ombudsman believes that the delay was as a result of exceptional circumstances. A copy of the Financial Ombudsman Service consumer leaflet is available for you at <https://www.financial-ombudsman.org.uk/businesses/resolving-complaint/ordering-leaflet/leaflet>

Your Stripe Services Agreement ([stripe.com/legal/ssa](https://stripe.com/legal/ssa)) contains information regarding Stripe's right to take certain actions in relation to your account. If you have any further questions about the actions that Stripe can take under your Stripe Services Agreement, you can contact us back. Prior versions of the Stripe Services Agreement may be relevant depending on when the issue complained of occurred.

Sincerely,  
 Suzi

Dear Stripe

Thank you for your assurance. I am not hopeful as you will learn from the linked discussion:

<https://www.knowledgeassessmentanddissemination.com/forum/general-discussion/criminal-conspiracy-charge-who-does-a-victim-turn-to-in-the-united-kingdom>

Still the matter is clearly in Stripe's hands as Stripe alone decides the viability of TCLP-UK as a political party that can take an active part in today's democratic pursuits'.

Did this help solve your issue?

2. The response from the State authorities was through Khadija Tul Kubra in LinkedIn to which I replied adequately in explaining to her that the website that I maintain is of 'Hinduism.'

3. Accordingly, I updated this book in Internet Archive and in The Allurement of Reality in Review Shop to the introduction of: 'Clarification.'; drawing a line under the proceedings as nothing was happening. The response from the State authorities was evident in that the terror and injustices were all organised by the Constitutional Monarchy.

Dear Sirs

I am still awaiting the payment of my damages and compensation demand of a total of £200 million from the Banks referred to the Financial Ombudsman Service as attached:  
 ToFinancialOmbudsmanService(All Banks to be assessed in Complaints)29Aug2024.docx; as well as Kent Police, the University of Greenwich and other State institutions named to the Medway County Court under its Claim No J00ME572.

Let me know how you will resolve this matter before I seek fresh legal advice for the conspiracy that has been organised against me in the matter of police brutality, M15/M16 engineered trolling-terrorism, victimisation, religious persecution, obstruction of justice and the deliberate perverting of the course of justice to deprive me of civil liberties and accompanying with that £55,000 financial dues as severance payment by the University of Greenwich together with £4170 paid under duress to the Cabinet office in June 2021.

### **Sabotage of the Development of the work of TCLS/TCLP-UK**

Published: August 31, 2024

*Banking support withdrawn by Stripe*

Hello Members!

Since the idea for The Conservative Libertarian Society was born in the middle of 2021, the Founder Dr Shantanu Panigrahi faced almost continuous attempts to sabotage the progress of this organisation.

This evening, the 31 August 2024, we have survived without Stripe's banking support because the Company The Conservative Libertarian Publications Limited is registered with Companies House and pays taxes to the HMRC of the United Kingdom. This cannot be shifted without due legal process.

The vested interests that terrorised the Founder to put him off his stride were the Constitutional Monarchy in the United Kingdom, and they are beyond the law as the Courts and Parliament have no authority to challenge any of their decisions.

The Founder's conscience says that TCCLS/TCLP-UK must remain steadfast with its agenda to bring about ameliorative changes to society in the country that he lives in and so we shall continue to encourage people to join us here as Members with donations through the button at the top left hand corner of the website.

For no one in his or her right mind would love the way the present Monarchical Establishment of the United Kingdom runs the country undemocratically from its secrecy of State-operations. The details for this have been uncovered by the Founder over a 26 year period of investigations that became necessitated from a bizarre event that he faced in a disciplinary matter while a scientist at the University of Greenwich and from where he was dismissed without having his defence considered. It was the Constitutional Monarchy that had engineered the Founder's downfall leading to him having no chance to restore his reputation in the Courts of the United Kingdom. Subsequently, the Founder was incarcerated in mental hospitals on two occasions for protesting against these injustices, and as his the protests continued, offences were framed by the Police that led to 6 arrests so that it was only a matter of luck that he did not end up in a prison cell for offences that he was totally innocent of.

These experiences had to be put to one side and work had to be undertaken to try and topple the Monarchical Establishment and with official and legal dethronement and impeachment proceedings not being responded to by the State authorities, the author became a full Republican.

We will therefore survive to fight on and win people to our cause.

Shantanu Panigrahi

Discover Odoo, the all-in-one management platform, and its apps designed to improve employees' daily tasks. From sales and deliveries, to logistics, marketing and accounting; learn what are the best available options to digitize your company.

We will rely on a unique demo concept in which YOU lead the demo: you will define a fictional company's challenges and our Odoo experts will show you how to tackle such challenges, using the best available tools. You will be amazed!

You will then take part in an interview of our local Odoo experts, our partners, who will present their tips and tricks to help digitise companies. We'll wrap up the event with a networking session including a walking dinner.

#### Schedule

4 p.m.: Welcome

4.15 p.m.: Conference

  Interactive Odoo demo

  Best practices to digitise your company

5.30 p.m.: Interview of our sponsoring partners

  Business Cases

  Customer Testimonials

6.00 pm: Networking

  Walking Dinner & Drinks

For more information, check the event page.

The conference will be held in English.

We're on the starting blocks to prepare an incredible event for you!

We hope to see you there.

See you soon.

Establishing one's Rights  
in General Discussion

What are rights?- Freedom is a right: any form of regulation is an infringement on that right. The freedom to be who we are naturally endowed to be, genetically. A libertarian. A Conservative Libertarian ensures that everyone's freedoms are assured, including that of birds, bees, flowers, trees, seas, oceans and soils. We touch nothing unnecessarily.

Rights have to be ascertained within the Constitution of the State that one lives in through proactive determination of what the provisions are. No consultation with a lawyer will be fruitful in this regard. With the truth-path as one's guide, one needs to explore what one can get away with as possession is nine-tenths of the law.

Proud of my wife's new initiative to open up the doors of Downing Street to young people from across the country. Improving education is a big reason I entered politics, and I look forward to seeing many more schools here throughout this term.

See how much you could borrow with a Barclayloan

Hello Shantanu,

You could provisionally borrow up to £25,000

When you need to get your plans moving, a Barclayloan could help. Because you're already a Barclays customer, we can tell you how much you could borrow and at what rate, before you apply. Better still, if we approve your application, you could have the money you need in your account straightaway.

Make money work for you

Your provisional loan is:

£25,000

Loan amount

6.2% APR

Your rate

60 months

Term of loan

£483.67

Monthly payments

This is a personalised rate and amount we've calculated specifically for you – though it could change as we'll ask for more information when you apply.

For comparison, here's the representative example:

£10,000

Loan

amount

60 months

Term

of loan

£208.12

Monthly

repayments

£12,487.20  
Total amount  
repayable

9.5% APR  
Representative  
(variable)

9.5%  
Interest rate  
per annum  
(fixed)

This example's here to help you compare your rate to the rate that the majority of our customers get. The majority of customers with a credit profile like yours will get the representative example rate or lower.

Your provisional loan amount and rate are personalised for you. We've worked out the loan amount and rate we think we could offer you based on what we know about you. The amount we can lend you and the term may change when you apply, as we'll ask for more information during your application about your circumstances and if they have or are likely to change. Your personal rate may also differ based on the amount you want to borrow and the repayment term. If you repay the loan early, you'll pay an early settlement fee of 30 days' interest on the amount repaid.

All loans are subject to your financial circumstances and borrowing history at the time you apply. Information accurate as of date of send.

### Comments:

So the Constitutional Monarchy of the United Kingdom is happy that it maintains the system of an unwritten Constitution that enables it to do whatever it wishes to society in terms of the goods and services that it generates for the population; and since these were unacceptable to the Conservative Libertarian, I have found that the only truth-accommodational response was to create a democratic framework for the development of the nation towards a Cultural

Republicanism. I did not sacrifice my principles and was proven to have exposed the unwritten Constitution with its shortcomings as far as an ideal society should be willing to expect from the government of the United Kingdom.

I will plod along, for since all my litigations and private prosecutions of Kent Police and the Prime Minister of the United Kingdom were blocked by the Constitutional Monarchy, I have a purpose to my existence going forward.

This is justice, for the reason also that I have not received a statement from Dr Oranusi the Consultant Psychiatrist that I am so mentally disordered as of 12 September 2024 that warrants frequent support from the Mental Health Services in writing that the next appointment with the Consultant Psychiatrist will be in 6 months time in light of the change in my state of mind. I have therefore proven that I am sane and had a lot of work that required doing which had given me symptoms of paranoid schizophrenia in years gone by and persistent delusional disorder before that. These were all due to the fact that the Constitutional Monarchy were operating the State in secrecy in terms of the institutions engaged in the disposal of my complaints of injustices suffered.

The injustices that I suffered were not seen by the Constitutional Monarchy as anything that it needed to be concerned about as seen from the lack of damages and compensation that I demanded for the way that I was subjected to police brutality, victimisation, religious persecution, trolling-terrorism, obstruction of justice and the deliberate perverting of the course of justice. So be it on this Friday the 20<sup>th</sup> of September 2024 at 19.05 pm.

I am therefore having understood the mechanisms of the State satisfied that justice has been done. We agree to disagree on how society should be organised. The Constitutional Monarchy is satisfied that I acted properly at all time having submitted my concerns every step of the way to the consideration of the State authorities in trying to fathom the reality of the constitution of the United Kingdom.

I ended my submissions with a clear vision of what I am intending to do next. No response has been received to the LinkedIn private messaging that I sent out between 17.16 pm and now, so I am not charged with any offences to the State of the United Kingdom.

Legal Ombudsman

Thank you for your email

We are currently dealing with a high volume of enquiries.

If you already have a case with us, we will add your email to the file. A colleague will be in touch with you just as soon as they review your email.

If you are contacting us for the first time about a complaint, please be aware that it may take around 8 weeks before you hear from us, and at that stage, we may need to ask you for more information. We thank you for your patience and would like to reassure you that our teams are working very hard to review and respond to your email as quickly as possible.

Once we have confirmed that we have all the information we need, we will write to you to let you know that we have passed your case for formal assessment by an investigator.

Please be aware that there is a considerable wait for a case to be assessed by an investigator, which varies depending on the complexity of the case. More information about the wait times will be included in the letter we send to you at the time the case is added to a queue and can also be found on our website.

If you have concerns about the wait times and feel they may detrimentally impact on you or your case, for example, because of a financial hardship or serious health concern, please let us know.

Have you complained to your service provider?

We can only investigate a complaint once the service provider has had the chance to investigate it and respond. This means you need to make a formal complaint to them first. You can find further information on our website about how to complain to your service provider, including a template complaint letter.

How to complain to us

If you have already complained to your service provider and have not received a satisfactory response, then we might be able to help. The easiest way to check if we can help you is to use our complaint checker tool on our website. Alternatively, you can send us a completed complaint form, which is available to download from our website.

We will need your completed complaint form, along with a copy of your complaint to the service provider and copies of any responses you have received from them. Please only send us copies and not original documents.

You should be aware that we are also unable to accept documents from an online document storage facility such as Dropbox.

Do not send us any other information until we request it.

If you need to write to us, our address is:

SLOUGH

Our telephone number is 0300 555 0333. We are open from 9am to 4pm from Monday to Friday. Calls may be recorded and used for training and monitoring purposes.

Have we let you know we have passed your case for assessment?

If we have already let you know your case is awaiting assessment by an investigator, you do not need to do anything further at this stage. An investigator will contact you when they start working on the complaint. Please note that you may be waiting a considerable time before your case will be passed to an investigator. The letter we have sent to you should provide you with more specific information about these timescales. We also aim update you every three months. Supporting you in making a complaint

Dear Attorney General

With the greatest of respects, having seen no replies from any of the recipients of the email that you have sent this automatic acknowledgment to, I do not believe that it is a fair and just

settlement of the dispute one iota. I must have full written reasons for why my claim for £200 million in damages and compensation faced a blank wall of silence from the two courts (Medway County Court and the Central London County Court for J00ME572 and E35YM660 respectively) before this matter progresses further. The Injunction against Kent Police was deliberately thwarted in 2022 by Medway County Court allowing what was a contempt of court action undertaken by Kent Police in arresting me 6 times since, when I had paid £332 as Court Fee to HMCTS for the Injunction and Money Claims combined Claim Form. Similarly, it beggars belief that the Hearing of 20 January 2023 10 am at the Central London County Court could have been kept under adjournment for 20 months without an explanation to the Claimant -see CenLonCtyCrtNOTICEOFHEARINGOFAPPLICATION.pdf, for which £100 was paid by the Claimant as Court Fee. Further I was inundated by Spamming telephone calls both to my Mobile Phone and to our BT Land line all through the period of the progression of the Case at the Courts concerned, which taken together with the obstruction of justice could only have taken place when a higher power nobbled the Court officials at the junior and Judicial levels. I have named this higher power the Constitutional Monarchy, for I have no evidence that the Monarchs (Queen Elizabeth, and then King Charles) personally ordered the suspension of the criminal and civil proceedings initiated by me at East Kent Magistrates Court, North Kent Magistrates Court and Maidstone Crown Court.

Dear Attorney General, I understand that in addition to your other remits the Attorney General is the government's legal advisor, and it is in this capacity I have approached you to intervene in this matter, to determine who was the overall person or the institution of the State that manipulated all my civil and criminal proceedings at the Employment Tribunal 25 years ago, and the levels of Master Eastman at Queen's Bench Division of the High Court under Claim Number HQ17X01773, all ME010463/ME002953 at Medway County Court, and CO/1620/2002 at the Administrative Court of the High Court with reference to my Petition to the Late Her Majesty Queen Elizabeth.

It is a significant fact that in all of the past 26 years of litigations that I undertook I was never allowed a Hearing on my terms, so the processes were deliberately obstructed against me.

The fictitious organisation of Victims of Panigrahi Association (VOPA) is another factor that needs to be taken into account in your investigation of the circumstances of this epic struggle that I have had to suffer through in trying to clear the defamatory statement from the University Greenwich that I had been blameworthy of gross misconduct against colleagues and senior management at the Natural Resources Institute when the facts show that I had been targeted by VOPA as long ago as 1998 to force me out of the country or put me into a mental institution for the passive resistance that I had maintained against the culprits who destroyed my scientific career after 18 glorious years and that too without the payment of my severance payment of £55,000.

The Case E35YM660 is a legitimate case that the Prime Minister has got to answer and the reason he has been shielded is that the Constitutional Monarch was pulling the strings of proceedings all along.

Yours sincerely

DR SHANTANU PANIGRAHI	<b>1<sup>st</sup> Claimant</b> Ref
MRS THERESA MAY - PRIME MINISTER OF THE UNITED KINGDOM	<b>1<sup>st</sup> Defendant</b> Ref Z1819776/MMX/ HOI9

The hearing of the claimant's application dated 23.06.2022

will take place at 10:00 AM on the 20 January 2023 at the County Court at Central London, Thomas More Building, Royal Courts Of Justice, Strand, London, WC2A 2LL.

Time estimate 1 hour IN PERSON before a Circuit Judge

**LISTING POLICY:** The court's listing policy is determined by the senior judge and implemented by staff in accordance with his directions. Your case may not be allocated to a judge until the day of the hearing, and may have to wait in the unassigned list until a judge becomes available to hear it. Every effort will be made to ensure that your case is heard at this or another convenient court. If it is not possible to provide a judge to hear your case, the court and Her Majesty's Court and Tribunal Service will not be responsible for any costs incurred in the absence of any departure from listing policy due to maladministration.

Parties should be aware that this case may be one of several cases that have been listed to commence at this time. This may mean that your case will not be called immediately at the time scheduled, but may be heard later in the day. We will try to ensure that if your case is listed in the morning it is heard by 1pm and if your case is listed in the afternoon it is heard by 4pm. In some circumstances it is possible that your hearing could overrun. You and any witnesses should therefore be available until the end of these periods or even later.

If there are special reasons why this is inconvenient you may make a short notice application to a circuit judge to adjourn. Ordinary inconvenience arising from the fact of being in the unassigned list will not be sufficient reason for an adjournment, nor will the fact that both parties agree to an adjournment.

**ACCESSIBILITY:** Please inform us as soon as possible if you, your witnesses or legal representatives have a physical disability that may affect your attendance at this court. We can make alternative arrangements for the case to be heard in a suitable court room by calling the Customer Service Team on 0300 123 5577.

**FILING OF SKELETON ARGUMENTS AND TRIAL BUNDLES:** Trial bundles (if applicable) should be lodged no earlier than 3 working days before the trial (unless otherwise ordered). All trial bundles should be

In compliance with GDPR requirements, the privacy notice sets out the standards that you can expect from the Ministry of Justice (MoJ) and HM Court and Tribunals Service (HMCTS) when we process personal data about you in the context of civil court proceedings; how you can get access to a copy of your personal data; and what you can do if you think the standards are not being met. #### **Information for people with disabilities visiting the Royal Courts of Justice (RCJ)**

At HM Courts & Tribunals Service (HMCTS) we want to provide:

- an experience that works for everyone
- services that people with disabilities can use independently where possible
- services that can be used in a fair way

We know that people with disabilities sometimes need our help and support to use our services. This can mean that we need to provide something different so you can access and use our services in the same way as a person without a disability. We often call this a reasonable adjustment.

#### **What reasonable adjustments can we provide?**

We're able to do lots of things that mean that people with disabilities can use our services independently wherever possible and in a way that is fair, for example:

- providing our forms in large print
- providing our guidance in audio or easy read
- making sure hearing enhancement systems are available
- providing a separate waiting area
- making sure ramps and lifts are available.

This list doesn't include everything we can do to help, and we'll always talk to you first about what you need.

If you need help or support in the hearing room, we will also discuss this with the judge hearing your case. Judges are committed to making sure everyone can give their best evidence and everyone has a fair hearing.

#### **How to arrange a reasonable adjustment?**

Disabilities affect people differently so we won't always know what will help. If you have a disability that means you can't access our information and services please get in touch with us. You can request help and support as a reasonable adjustment by phone, in person or in writing by:

- emailing RCJ.DCO@justice.gov.uk, or centrallondoncounty.dco@justice.gov.uk
- phoning our Disability Contact Officer 0207 947 6063.

To help us provide the best help and support, you should try to explain how your disability affects you and give as much information as you can. This will help our staff or the judge to consider what you'll need to do during your case and any help we can provide. Our staff will always talk with you and agree any reasonable adjustments you need.

**Please note.**

Many areas of the RCJ are Grade 1 listed, and this means there may be restrictions to the changes we can make. Some of the areas you will need to access could be a 5 to 10-minute walk from the nearest entrance.

**Getting around our building and support before the hearing.**

- If you need a **parking space** (blue badge holders only) please contact the Listing Office by letter, e-mail or phone at least 24 hours before your hearing.
- email: RCJ.DCO@justice.gov.uk or centrallondoncounty.dco@justice.gov.uk
- tel: 0207 947 6063

Please include:

- your case number
- car registration, make, model and colour
- your Blue Badge number and issuing authority.

• **Wheelchair access** into the RCJ is available at:

- West Green (9am - 4.30pm), and
- Bell Yard North (9.30am - 4.30pm).

These entrances and the main entrance have **intercoms** linked to RCJ Security.

- **Step-free access** (via ramps, stair lifts and lifts) is available to most areas of the building. A map detailing the best routes for step-free access is available at each entrance and/or upon request.
- **Accessible toilets** are located throughout the RCJ. Maps are available but please let us know if you need details in advance.
- If you have **limited mobility**, we have a limited number of manual wheelchairs available for use. You may bring a carer or helper to support you using the wheelchair.
- **Support Through Court** are a charity supporting people who face court alone so that they can represent themselves to the best of their abilities. You can find out more information on [www.supportthroughcourt.org](http://www.supportthroughcourt.org) or phoning 020 7947 7701.
- **Assistance dogs** are welcome in all HMCTS buildings.

**The hearing.**

For the hearing itself, we can provide:

- breaks in court proceedings. We will ask the judge to consider your request before your hearing begins

- help with reading and writing court forms. Some court documents can be provided in large print or braille <https://www.gov.uk/government/collections/court-and-tribunal-forms>.
- hearing enhancement systems in some of our courts (and available at reception and at our public counters). We also have portable hearing loops available on request.

Cases are listed in accordance with local hearing arrangements determined by the Judiciary and implemented by court staff. Every effort is made to ensure that hearings start either at the time specified or as soon as possible thereafter. However, listing practices or other factors may mean that delay is unavoidable. Furthermore, in some instances a case may be released to another judge, possibly at a different court. Please contact the court for further information on the listing arrangements that may apply to your hearing.

On this Saturday morning had to dispose of the first of the two emails sent yesterday evening, tweeting it and posting it in United Kingdom as a Republic page of Facebook:

<https://www.knowledgeassessmentanddissemination.com/post/claim-outcome-j00me572-e35ym660>

This leaves the email to the Attorney General to process depending on what the reaction of the State authorities is.
